

Guests' Reviews of the Essential Garden Studio

Amazing

Fabulous accommodation in a beautiful setting. Friendly hosts. Definitely the best Bookabach we have ever used.

A one-bedroom apartment tucked away in the trees is how I would describe this accommodation. It has a spacious and warm outdoor area with heater and clear plastic pull downs

around the deck. There is no noise here. The accommodation has everything you need with a well-appointed kitchenette and comfortable bed as well as that little bit extra such as heated bathroom floors and wider screen TV. When it's time for a break Puhoi is 20min north. When you need some extra supplies, the shops are 20min south. We arranged our stay because I needed a quiet space away from life's distraction to complete a project. This place was provided what we needed and even though my purpose was for work we came home relaxed and refreshed.

Peaceful lovely stay

My husband and I had a very lovely peaceful stay. Extremely quiet and private place, very nice to get out of the hustle and bustle of the city, even if it was just for one night!

Best long weekend ever

The studio was in immaculate condition and being in between the trees we felt at peace. I would recommend this to anyone who needs a quiet break.

Beautiful place!! Would recommend to anyone. Modern living in a paradise setting. A***

Beautiful modern apartment, nestled in the bush, overlooking the valleys. Would recommend to anyone, young or old. Alasdair and Fiona are really nice, made you feel comfortable, but left you to enjoy the peacefulness of it all. We will be back for sure!!

The booking was a 40th Anniversary surprise for my parents who were visiting from Scotland.

They absolutely loved every minute of their amazing stay in Puhoi. The accommodation was so beautifully clean, well presented and in a wonderful, peaceful location. They couldn't have asked for anything better! Would most definitely recommend this Bach.
